A TERRIBLE TRAGEDY.

Quintuplet Murder in Canada.

[TO THE ASSOCIATED PRESS.]

LUCAS, Ont., Feb. 4.—About 12 o'clock last night a boisterous crowd of drunken men, some of whom were armed with clubs and knives, entered the residence of the late John Lucas, a well-known farmer and stock raiser, and proceeded to commit a series of murders. The first victim was a young man named John Lucas, who was killed by a blow on the head. He was followed by his brother, and then by his father, who was also killed. The last two victims were a young woman and her husband, who were also killed. The murders were committed in a very brutal manner, and the bodies of the victims were found in various parts of the house. The police are now investigating the case, and have arrested several persons who are suspected of being connected with the murders.
